

Welcome to the Fun Factory.™

Because kids can never have enough fun.

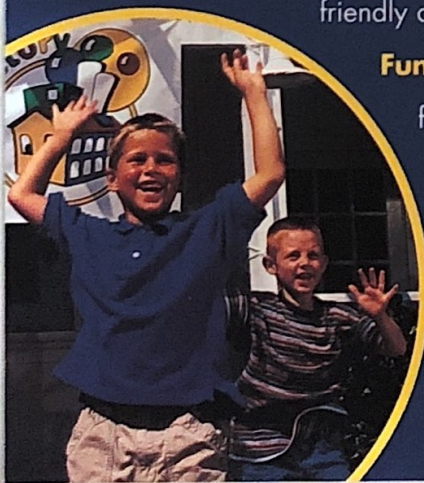

# At the Fun Factory,<sup>TM</sup> it's all play and no work.

Imagine a vacation where kids get to do what they want to do, and so do the grown-ups. That's the concept behind the Fun Factory.<sup>TM</sup> If your kids don't have fun on vacation, you won't. Here, kids get a crash course in what we like to call **Funology,<sup>SM</sup>** our very entertaining blend of games, sports, activities and educational enrichment programs.

You can relax and enjoy your vacation, knowing your kids are out having a blast while under the constant supervision of our friendly and resourceful

**Funologists.<sup>SM</sup>** You'll also find our schedules to be very flexible. Your children can stay for just a few hours, a day, or all week.

## WHY FUN FACTORY<sup>TM</sup> WORKS

We manufacture tons o' fun at the Fun Factory,<sup>TM</sup> but by no means is it an assembly line production. Although programs may vary at different resorts, here are a few typical activities.\*

**NATURAL WONDERS** Your kids will unearth lots of neat stuff about the environment as they venture out on scavenger hunts and play all sorts of cool games such as "Hide the Bug."

**WET 'N WILD** This will make a huge splash with your kids. They will literally go head over heels with water balloon soccer, and slam dunk better than their favorite NBA all-star in a game of musical washtubs.

**NIGHT OF STARS** Bring out the ham in your kids as they create and rehearse skits for a spectacular performance. They can also participate by creating costumes and working behind the scenes.

Ages: 3-11. Times offered are 9am-1pm, 9am-4pm and 5:30pm to 8:30pm.\*

\*Days offered and session times may vary by resort.

Your kids will love the Fun Factory.<sup>TM</sup> They'll want to come back again and again. Especially because we'll stay in touch with newsletters, e-mail and our interactive website.
